Convenience for our DHSMV Customers in Wildwood

Wildwood-The Department of Highway Safety and Motor Vehicles wants to advise the public of upcoming changes to your local driver license office.

Driver license services will now be offered at the Sumter County Tax Collector Tom Swain's office beginning Monday, August 4, 2008, located at 372 Shopping Center Drive. The current driver license office located at 328 Shopping Center Drive will close on Tuesday, July 29, 2008.

"By adding the driver license services to the tax collector's office and our services, we can provide a convenience to customers so they don't have to drive to the next county", Tom Swain said.

Please note that the Tax Collector's office charges a convenience fee of \$5.25 per driver license transaction. If you do not want to incur the transaction fee, the state office located at 305 Skyline Drive, Suite 1, Lady Lake is the next closest and would be pleased to serve you.

"The Department wants to encourage customers to skip the trip and get their driver license business done online at www.flhsmv.gov where various online services are available. Here, customers can renew their driver licenses, identifications cards, vehicle tags and change their address. And there are no surcharges for using the internet", said the Division of Driver Licenses Director Sandra Lambert. "If a customer has received notification from the Department that they will have to come into an office, they can make an appointment at <http://oasis.hsmv.state.fl.us>. Making an appointment can be a time saving tool for customers."

Making Changes that Matter to You
